Delivering quality care and support across the South of England

Somerset Care is an award-winning, not-for-profit organisation offering:

- **Personal care** throughout the day, help with getting up or going to bed, dressing, washing and meal preparations.
- Support with **domestic tasks**, such as; cleaning, laundry and ironing, as a regular arrangement or as a one-off session.
- Companionship, shopping, trips out, dog walking, respite and holiday support.
- Assistance with **accessing appointments** and activities in the local community.
- PETALS – **specialist dementia support**.
- Support at **night-time/24 hour support** – allowing relief if you are an informal carer, or support during the night to respond to emergencies.
- Support with **returning home from hospital**, knowing that care is organised for when you return home.
- Support with **medication** and telephone **welfare checks**.
- Care and support for those with a terminal illness.
- **Assisted viewings** of our residential or nursing homes in your local area.
- **Complex care** and **clinical services** – assistance for people with a variety of health needs.

Our support is flexible and can be short or long-term.
